

MARKET DAY APPLICATION FORM

MARKET DAYS AT ROYAL HOLLOWAY STUDENTS' UNION

Interested in joining our market day at Royal Holloway? We just need a few details off you so that we can process your application and ensure everything is in order.

First though, here's a few details that all of our stallholders need to be aware of:

- Your products/services need to compliment and not compete with those provided by RHSU
- You need to comply on an ongoing basis with all applicable legal requirements. We've identified some of these in the Trader's Manual, but it is your responsibility to be legally compliant whether or not advice is provided by RHSU.
- Ensure your stall has a first aid box equipped to deal with accidents that may occur on your stall.
- Hold valid public liability and third party insurance.
- If selling any food products you need to hold food hygiene and food safety certificates.
- Smoking is not allowed while working on a stall and must take place in designated areas at least 5m away from campus buildings.
- You need to provide a waste bin on your stall and remove all rubbish generated from site.

These are very much our base requirements and help us to ensure everyone operating at the market is on the same page while making sure our members are safe.

If you've got any questions about any of the above you can contact us on marketing@su.rhul.ac.uk and we'll be more than happy to help.

When you have completed the form please send it to us via email using the address above or drop it at the Union Helpdesk.
